

LADIES CIRCLE N°1 VEVEY

SUPPORTING LUNCHEON
FOUNDATION PASS THE BATON

The Ladies Circle N° 1 of Vevey, founded in 1986, is a service-club of Vevey which is present in over thirty countries. It is composed of young women desirous of being implied in mutual aid activities and of bringing their support to associations having only scarce means at their disposal.

Moving from words to action, we decided to organise our **annual family supporting luncheon** in favour of the **Montreux Foundation "Pass The Baton"** (created by Mrs. Pascale Lilla Baer) whose major goal is to establish a database inventory of all potential organs donors in Switzerland.

Join the party in large numbers to support us!
